Job Posting

What: Chemistry Teacher (FTE)

Number of Positions: 1

When: 2021-2022 School Year

Where: Ubah Medical Academy

Ubah Medical Academy is a 9-12 charter school founded by educational leaders in the East African community that ultimately seeks to prepare students for successful and productive lives as United States citizens while allowing them to retain their unique cultural heritage. Ubah students are prepared for college through a high school experience that demands high behavior and rigorous academic standards. Demonstrated student growth year over year has earned the respect of the community for which the school serves. It has also resulted in the deeming of Ubah as a Reward School by the Minnesota Department of Education, an award given to the top achieving 15% of Title I schools in the state.

We are currently seeking a Chemistry Teacher for the 2021-2022 school year. Preferred candidates are passionate about student achievement, possess experience with differentiated teaching methods, and are adept at preparing the student for college via rigorous high school academics.

Education: Bachelor's degree (B. A. or B.S.) from a four-year college or university.

Certifications, Licenses, and Registrations: Valid MN Teaching License.

We offer a competitive salary, as well as a comprehensive benefits package, and the schedule includes a half-day on Fridays, and more! If you are interested in working in a small school with dedicated students, staff, and families. We encourage you to apply, please send a cover letter, resume, 3 letters of recommendation, a copy of your license, and copies of your transcripts to the following:
