Student Dress and Appearance (504)

I. PURPOSE

The purpose of this policy is to enhance the education of students by establishing expectations that support educational goals. Students and their families have the primary and joint responsibility for student clothing and appearance. Teachers and other charter school staff should exemplify and reinforce student clothing and appearance standards and help students develop an understanding of appropriate appearance in the school environment.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the charter school is to encourage students to be dressed appropriately for school activities and in keeping with community standards. This is a joint responsibility of the student and the student's parent(s) or guardian(s).
- B. A student's clothing or appearance may not materially and substantially disrupt or interfere with the educational mission, school environment, classwork, or school activities. A student's dress or appearance may not incite or contribute to substantial disorder or invasion of the rights of others or pose a threat to the health or safety of the student or others.
- C. Students' right to choose their dress and appearance for school and school-related activities will be protected provided that the clothing:
 - 1. does not injure people or damage property;
 - 2. does not materially and substantially disrupt or interfere with the educational process or classwork;
 - 3. does not interfere with the requirements of discipline in the operation of the school or school activities, materially disrupt classwork;
 - 4. does not involve substantial disorder or invasion of the rights of others.

Such clothing includes, but is not limited to, the following:

- 1. Clothing appropriate for the weather.
- 2. Clothing that does not create a health or safety hazard.
- 3. Clothing appropriate for the activity (i.e., physical education or the classroom).
- 4. Footwear that does not present a safety hazard.
- 5. Students may wear headgear for a medical or religious reason.

6. Hair, including but not limited to hair texture and hair styles such as braids, locks, and twists.

D. Students may not wear inappropriate clothing. Inappropriate clothing includes garments that do not align with community standards. It also includes, but is not limited to, the following:

1. Extremely brief garments and see-through garments may not be worn.
2. Clothing must cover areas from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs.

3. Clothing (including emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry) bearing a message that is lewd, vulgar, obscene, libelous, or denigrates, harasses, discriminates against others on the basis of protected class status under the Minnesota Human Rights Act, or violates charter school policies prohibiting discrimination, violence, harassment, or other harmful activities.
4. Apparel promoting products or activities that are illegal for use by minors.
5. Communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in Policy 413.
6. Hats are not allowed in the building except with the approval of the building director (i.e., student undergoing chemotherapy; medical situations).
7. Any apparel or footwear that would damage school property.

E. The intention of this policy is not to abridge the rights of students to express political, religious, philosophical, or similar opinions by wearing clothing on which such messages are stated. Such messages are acceptable as long as they are not lewd; vulgar; obscene; libelous; do not denigrate, harass, or discriminate against others on the basis of protected class status under the Minnesota Human Rights Act; or do not violate charter school policies prohibiting discrimination, bullying, violence, harassment, or other harmful activities.

III. PROCEDURES

- A. Enforcement of a student dress code will be approached with careful consideration and sensitivity, with the goals of supporting students as they express themselves and pursue their full potential, of not shaming students, and of minimalizing loss of instructional time. When possible, dress code matters should be addressed privately with students, should seek to determine whether factors exist that impact the student's ability to comply with the dress code, and should seek to address such issues.
- B. When, in the judgment of the administration, (1) a student's clothing or appearance may materially and substantially disrupt or interfere with the educational mission, school environment, classwork, or school activities; (2) may incite or contribute to substantial disorder or invasion of the rights of others; or (3) pose a threat to the health or safety of the student or others, the student will be directed to make modifications. Parents or guardians will be notified. Other consequences may be enforced in line with Policy 506 (Student Discipline).
- C. The administration may recommend a form considered appropriate for a specific event and communicate the recommendation to students and parents or guardians. A school district or charter school must not prohibit an American Indian student from wearing American Indian regalia, Tribal regalia, or objects of cultural significance at a graduation ceremony.
- D. Likewise, an organized student group may recommend a form of dress for students considered appropriate for a specific event and make such recommendation to the administration for approval.
