UBAH MEDICAL ACADEMY

Admissions (591)

I. PURPOSE

The purpose of this policy is to explain how Ubah Medical Academy will decide whom to enroll as pupils of the school.

II. GENERAL STATEMENT OF POLICY

Ubah Medical Academy follows Minnesota Statute 124E.11 in its enrollment practices.

The text of the law is as follows and more information can be found by visiting:

<https://www.revisor.mn.gov/statutes/cite/124E.11>

(a) A charter school, including its preschool or prekindergarten program established under section 124E.06, subdivision 3, paragraph (b), may limit admission to:

(1) pupils within an age group or grade level;

(2) pupils who are eligible to participate in the graduation incentives program under section 124D.68; or

(3) residents of a specific geographic area in which the school is located when the majority of students served by the school are members of underserved populations.

(b) A charter school, including its preschool or prekindergarten program established under section 124E.06, subdivision 3, paragraph (b), shall enroll an eligible pupil who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, pupils must be accepted by lot. The charter school must develop and publish, including on its website, a lottery policy and process that it must use when accepting pupils by lot.

(c) A charter school shall give enrollment preference to a sibling of an enrolled pupil and to a foster child of that pupil's parents and may give preference for enrolling children of the school's staff before accepting other pupils by lot. A charter school that is located in Duluth township in St. Louis County and admits students in kindergarten through grade 6 must give enrollment preference to students residing within a five-mile radius of the school and to the siblings of enrolled children. A charter school may give enrollment preference to children currently enrolled in the school's free preschool or prekindergarten program under section 124E.06, subdivision 3, paragraph (b), who are eligible to enroll in kindergarten in the next school year.

(d) A person shall not be admitted to a charter school (1) as a kindergarten pupil, unless the pupil is at least five years of age on September 1 of the calendar year in which the school year for which the pupil seeks admission commences; or (2) as a first grade student, unless the pupil is at least six years of age on September 1 of the calendar year in which the school year

for which the pupil seeks admission commences or has completed kindergarten; except that a charter school may establish and publish on its website a policy for admission of selected pupils at an earlier age, consistent with the enrollment process in paragraphs (b) and (c).

(e) Except as permitted in paragraph (d), a charter school, including its preschool or prekindergarten program established under section 124E.06, subdivision 3, paragraph (b), may not limit admission to pupils on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability and may not establish any criteria or requirements for admission that are inconsistent with this section.

(f) The charter school shall not distribute any services or goods of value to students, parents, or guardians as an inducement, term, or condition of enrolling a student in a charter school.

(g) Once a student is enrolled in the school, the student is considered enrolled in the school until the student formally withdraws or is expelled under the Pupil Fair Dismissal Act in sections 121A.40 to 121A.56.

(h) A charter school with at least 90 percent of enrolled students who are eligible for special education services and have a primary disability of deaf or hard-of-hearing may enroll prekindergarten pupils with a disability under section 126C.05, subdivision 1, paragraph (a), and must comply with the federal Individuals with Disabilities Education Act under Code of Federal Regulations, title 34, section 300.324, subsection (2), clause (iv).

III. PROCEDURES

A. Information regarding enrollment deadlines and procedures will be published on the school's enrollment forms and on the school's website. Information regarding Minnesota Statute 124E.11 will also be included.

B. On a yearly basis, Ubah Medical Academy will inform the public of the deadline for submitting enrollment forms to apply for admission for the following school year.

C. Ubah Medical Academy will publish the date of an initial annual lottery for admission for the following school year on an as-needed basis.

D. The Director and Assistant Director will conduct the lottery on the designated date.

E. Spaces that open after a class is filled through the initial lottery will be filled by lot from available applicants at the time space is made available.

F. Families will be notified by mail regarding their child's/ward's status during the admission process.

G. Information regarding enrollment deadlines and procedures will be published on the school's enrollment forms and on the school's website.

Lottery Process Addendum:

A Lottery process is used at the beginning of any school year if there are more students who have pre-enrolled than there are spaces for in each grade level, and after the Admission Policy enrollment preferences (sibling, foster child, school staff) have been filled.

*UMA opens its pre-enrollment in Mid-February of the previous school year for which parents are wishing to enroll. UMA accepts pre-enrollment forms until July 15 prior to the school year starting or until all open student spots per grade level are filled. At that time, if there are more students per grade waiting placement, UMA will plan a lottery. Parents who have completed an on-time pre-enrollment form will be contacted as to the specific date, time, and location of the lottery, should they wish to attend. **Presence at the lottery is not required to be eligible.***

The lottery will be held in the early part of August to allow families and the district enough time to make transportation arrangements or find other placement should they not be selected during the lottery. Notice of the lottery will also be published on the school's website.

The lottery will be conducted by the School Director & Administrative Team. Student names will be put on slips of paper and randomly drawn until all open spaces are filled. All other names will be placed on the waiting list. Parents will be notified by phone & mail if their child is selected during the lottery if they are not in attendance.

**The dates listed above may change for each school year and will be posted on the school's website under enrollment information.*
